

[corona | covid-19]

Keep your distance

Are you on your way out?
Remember to keep distance to others
and avoid places where many people are gathered.

The police can intervene

A prohibition has been set against gatherings, events etc. of more than 10 people. The police can intervene if there are more than 10 people gathered too closely.

If you do not comply with the prohibition, you risk a 1500 kr. fine.
